

WEST SIDE WALK COVID-19 INFORMATION

Your health and safety is important to us. In order to stay within the current Executive Order for public outdoor events we have scheduled three staggered start times. For those who are planning to join us in person the three time slots available are:

- **First Flight** - 9:30 a.m. Registration; 10 a.m. Program; 10:15 a.m. Walk
- **Second Flight** - 11:30 a.m. Registration; 12 p.m. Program; 12:15 p.m. Walk
- **Third Flight** - 1:30 p.m. Registration; 2 p.m. Program; 2:15 p.m. Walk

For planning purposes, we need registered participants to fill out our event survey, reserving their spot in-person or indicating you wish to join us in spirit by participating virtually. Please participate in the way that is best for you. Participating virtually, might mean taking a walk in your neighborhood or in a local park with your team. Virtual participants receive the same fundraising incentives as in-person participants.

COMPLETE EVENT SURVEY

Please complete the survey no later than Wednesday, September 16 at 12 p.m.

Additional Details

Due to construction, our traditional walk route and parking has changed. We will be parking at St. John's Church a short walk from the Clubhouse ([driving directions](#) | [map pdf](#)).

Take part in our Lineage of Love Mission Moment! We will have a clean marker and flag available for participants to leave message or honor a loved one on our walker display. If you are participating virtually or would like us to write it out for you ahead of time please indicate so when filling out our event survey.

Other COVID-19 Considerations

Please know the West Side Walk will look a little different this year as we put preventative measures in place for everyone's safety.

1. If you are feeling unwell, have traveled outside of the state in the last 14 days or have recently been in contact with someone who has COVID-19, **please participate virtually**.
2. Please do not arrive early for your selected time slot. If you need to change your time slot, please contact Hannah at 616.453.8300, ext. 120.
3. Temperature checks will be completed at the base of Gilda's Club drive way. Anyone with a temperature of 100.4 or more will be asked to participate virtually.
4. Don't forget your mask! All participants are required to wear a mask, regardless of additional socially distancing measures.
5. We ask you consider bringing your own water bottle and drink to the Walk (though water will be available for those who need it).
6. Social Distancing spaces will be indicated in front of the stage for our opening program. Please abide by them and maintain 6 feet of distance from those outside your household/team.
7. Shuttle service is not available from the church parking lot. If someone in your group is unable to walk from the church parking lot to Gilda's please drop them off at the bottom of our driveway.
8. With your health and safety in mind and to mitigate potential exposure, we unfortunately will not be hosting our post-walk celebration. The Walk route ends at St. John's Church where your car is parked. Please plan with your household/team the best way to celebrate after walking this year.

THANK YOU FOR BEING A TEAM PLAYER AND KEEPING US ALL SAFE!
